THE ART
OF ARRIVAL

LOBBY

LOBBY

The moment you step into the lobby, you are greeted by a selection of art pieces and a mesmerizing material palette that plays with rich, neutral tones. The floors and the reception desk are adorned with beautifully patterned marble creating an elegant foundation that exudes opulence and class. The careful selection of furniture not only provides functionality but also complements the overall aesthetic. For those who seek relaxation and entertainment, a large bookcase is filled with board games and books. In addition, a custom work and multi-purpose meeting table is available for residents who wish to work, conduct quick meetings, or simply enjoy a quiet space for reading a book.

CLUBHOUSE

The clubhouse is undeniably the heart of the community, a bustling hub that epitomizes the essence of modern living. The elegant lounge area is a central gathering point, featuring a well-equipped kitchenette, and hotel-style furnishings. Wooden materials are thoughtfully incorporated, from furniture to flooring, to add a touch of warmth and sophistication. The clubhouse goes beyond being just a gathering space; it also offers a small co-working business center with a coffee station and pantry. This feature adds an element of productivity to the space. Also, the double-height ceilings with full-height transparent glazing create a sense of spaciousness offering unobstructed views of the garden and swimming pool.

FITNESS STUDIO

For residents looking to work out on a solid foundation, the fitness studio is equipped with top-notch fitness equipment and features durable wood and rubber flooring, offering a stable and safe surface for various exercises. The zoned areas for a full-body workout ensure that there's a place for every fitness goal, whether it's strength training, cardio, or flexibility. In addition to its interior features, the fitness studio offers an unobstructed view of the pool, enhancing the visual appeal. A balance bar with a full-height mirror is available for those seeking to improve their form and balance. As a unique touch, there's an adult climbing net covering the double height of the space, adding an element of adventure and challenge to the space.

YOGA STUDIO

The yoga studio is a sanctuary for wellness, thoughtfully designed to enhance the connection between body, mind, and the surrounding natural beauty. The studio deliberately maintains a soothing atmosphere, drawing attention to the breathtaking views of the canal just beyond its windows. To create an illusion of increased space, mirrors adorn the walls and ceiling, allowing individuals to monitor and refine their poses while also amplifying the sense of openness within the space. To enhance the studio's functionality and aesthetics, durable wood flooring provides a stable and comfortable foundation for yoga practice, ensuring a safe and secure experience for all participants.

KIDS' PLAYROOM

With its well-curated selection of toys and games, comfortable furnishings, and a focus on sustainability, the kids' play area ensures that every child's needs and interests are met, making it a cherished part of the community where young residents can thrive. The play area is divided into different zones, the group play zone and the relaxation zone, each catering to various interests and activities. At the heart of the play area is a well-equipped activity table with interactive games and activities. To take the fun outdoors, there is also an outdoor kids' play area. This space allows children to explore, run, and play in the fresh air, promoting physical activity and a deeper connection to nature.

IMMERSIVE ROOM

The Immersive Room is an innovative space designed to transport residents to a world of imagination and wonder, providing a truly immersive experience like no other. At the heart of the room are its full projector screens that stretch from wall to wall, enveloping visitors in a mesmerizing visual journey. Whether you seek a thrilling adventure, a cinematic masterpiece, or a mesmerizing art installation, these screens have the capacity to transform the space into whatever your heart desires. Lounge seating is also strategically arranged to optimize comfort and create an environment that encourages relaxation and exploration. Whether you're reclining in a plush chair or sinking into a cozy sofa, you can fully immerse yourself in the virtual landscapes, stories, or artistic creations that envelop your eyes.

APARTMENTS

The apartments offer a distinctive living experience, characterized by a blend of rich, contrasting materials and modern detailing that exudes urban sophistication. These residences are designed to harness the beauty of natural light, with expansive windows flooding the spaces with a warm and inviting glow. The kitchens are a testament to modern aesthetics, the neutral color palette creates a tranquil ambiance, while black accents add a touch of modernity with a hidden pantry and ample cabinets. In the bathrooms, warm and intricate finishes combine functionality and design with hand and rain shower heads and Integrated sink countertops for daily rituals and relaxation.
